On Base Billeting:

Billeting is available on-base when you arrive. The billeting office is located in Bldg. 208 near the front gate. Billeting is open from 0700-1600 M-F DSN Ph. # 830-6365 or Ph. # 541-885-6365. If you are arriving after

hours, please make arrangements to have your room keys left at the front gate for you. Normally married B-coursers find housing in town. TX/SOC students normally arrange billeting at one of the local hotels or a home if married and accompanied. A letter stating substandard billeting will allow you full per diem rates. Your flight commander can help facilitate outside lodging.
